ANNOUNCEMENTS

Help For Dissertators

Counseling and Consultation Services offers dissertation support groups for students currently engaged in the dissertation process.

The dissertation support groups help students initiate, conduct, and complete their dissertation, thesis, or other large academic project.

Issues that are frequently discussed include time and anxiety management, emotional and academic support, and goal setting. These groups are not therapy groups, but support groups for dissertators. All efforts are made to maintain complete confidentiality.

Group times for the Fall 2009 semester are:

Mondays 3:30-5:00

Wednesdays 12:00-1:30

For more information contact: Jeff Hird @ jhird@wisc.edu

Attention: Non Dissertators Planning To Enroll As Dissertators Next Semester

Please remember your warrant, with committee signatures, will need to be submitted to the graduate school by December 18th. For more information please contact Joanne Thornton (jmthornt@wisc.edu), at least one month before your Prelim B committee meeting.

Matyas Sandor, PhD
Dandan Sun, MD, PhD

Events

A Successful CMP Poster Session!

This fall our CMP Poster session took place on Thursday September 17th from 2:30-4:30PM in the Atrium of the Health Science Learning Center. (HSLC) The event was a huge success with representatives from the majority of our trainers' labs participating as presenters or attendees. Many of our current CMP students displayed and discussed the research they have done or are currently involved in. Our new students had an opportunity to acquaint themselves first hand with the diversity of the CMP Program's trainers, students, and current research.

Look for CMP Poster Session 2010 next September in the HSLC Atrium once again!

A Beautiful Night for Theatre under the Stars!

Warm weather, Clear Skies, Good Food, Super Show, Great Fun; The recipe for a successful American Players evening!

On Friday September 11, 2009 CMP Students and Trainers enjoyed a picnic dinner prior to attending the American Players Theatre production of George Bernard Shaw's "The Philanderer." The weather cooperated bringing us a warm picnic afternoon and a cool theatrical evening under the stars!

GEC Meetings

GEC meetings are on the third week of the month. If you have an item that you would like to be discussed, please, submit it to Joanne (jmthornt@wisc.edu).
